HYBRID CORN

See catalog page 14 for description.

We stock four maturities of Iowa Hybrid. "S" matures in about 90 days; "A" in about 100 days; "AQ" in 105 to 110 days; and "No. 25" in 120 days. It is important to fit the maturity to your season as near as possible. The later maturing the deeper the kernel and heavier yield. When ordering use these symbols. "S"—"A"—"AQ"—and "No. 25."
